

Rebekah Howe

Tucson, AZ 85710 | 520-442-8959 | bekahhowe@hotmail.com

Profile

Full Stack Web Developer familiar with Git, JavaScript, HTML5, CSS3, PHP, and Node.js. I excel at working in a team environment as well as on individual projects. I am passionate about creating websites and applications that are dynamic and user friendly. I am eager to learn new languages and increase my knowledge in the ones I have learned so far.
